Mr. Wheaton Byers
Executive Secretary
President's Foreign Intelligence Advisory Board
Washington, D.C. 20500

Dear Wheaton:

Mr. Colby has asked me to send you this copy of a recent letter from Ambassador Robert Murphy of the Commission on the Organization of the Government for the Conduct of Foreign Policy. Also included is a copy of the Commission's proposed study plan on intelligence. The letter represents the basic ground rules for relations between the Commission and members of the Intelligence Community.

As you know, Mr. Colby is anxious to be cooperative with the Commission in its work, and we expect to be spending a good deal of time on this subject during the coming months.

Sincerely,

Acting Deputy to the DCI
for the Intelligence Community
